PRIOR'S MESSAGE

The word that best describes 2015 in our Priory is “momentum,” the definition of which is “the strength or force that allows something to continue or to grow stronger or faster as time passes.” Indeed, each year as we gain new Members and strengthen our ties with existing ones, we also continue to increase our contribution to the St John of Jerusalem Eye Hospital Group (SJEHG) at a time when the funds we provide mean the most.

In 2015, we took 126 new Members into our fold, and sent a record total of over two million dollars to the SJEHG. This included a major grant from ASHA (American Schools and Hospitals Abroad, an agency within USAID), which has also committed to a new award of \$600,000 for 2016.

Thanks in part to your contributions, the SJEHG itself now has its own momentum, treating 123,060 patients and performing 5,044 operations in 2015. CEO Tom Ogilvie Graham, MBE, OStJ, joined us for the 2015 Investiture in Dallas, Texas — the first to be held there — and shared some of the exciting new and planned developments at SJEHG. We were also blessed at this Investiture by the energetic participation of our Grand Prior, HRH The Duke of Gloucester, KG, GCVO.

With momentum comes change, and we have welcomed a new Executive Director, Brian Sayers, who has a strong background in international fundraising and strategic planning. I wish to thank new Member Ruth Ann Skaff for her devoted service as Executive Director for the past seven years. Late in 2015, Cheryl Hermes Lueck, our excellent Events and Membership Relationship Manager, also announced her departure, and I would like to thank her as well, for her seven years of service. Cheryl has been succeeded in 2016 by Louisa Boyle as Events and Membership Communications Director. Louisa formerly worked for St John International in London, and has been active in the international NGO arena for several years.

Your Oblations have continued to make all the difference in maintaining and strengthening our momentum as we start a new chapter in the life of our Priory. In “Star Wars” parlance, “May the force be with us!”

MISSION

The mission of The Priory in the United States of America of The Most Venerable Order of the Hospital of St John of Jerusalem is:

To encourage the spiritual and moral strengthening of mankind in accordance with the first great principle of the Order, *Pro Fide*;

To promote the relief of sickness and suffering without distinction of gender, race, class or creed in accordance with the second great principle of the Order, *Pro Utilitate Hominum*; and

To cooperate with other organizations having similar objectives.

In fulfilling this mission, the primary beneficiary of the Priory is the St John of Jerusalem Eye Hospital Group.

**Founding member of the Muristan Society*

The Muristan Society was formalized in 2008 to encourage Confrères and friends to remember the Hospital and the Order in their estate planning. In the past few years, it has grown by leaps and bounds. Muristan members are visionaries who live a life of service and continue to make a difference even after death.

To enroll in the Muristan Society, or to confidentially discuss your legacy plans, please contact Executive Director Brian Sayers at 202-510-9698.

In grateful recognition of the Confrères and friends who left a lasting legacy for the Order and for the Hospital

May their memories be eternal:

St John of Jerusalem Eye Hospital was established in 1882 and continues to provide the highest quality ophthalmic care to the people of East Jerusalem, the West Bank and Gaza, irrespective of race, gender, creed, or ability to pay. In 1992, the Hospital opened the Gaza Clinic. In November 2005, the Hebron Eye Centre opened, and is located about 20 miles south of Jerusalem. In July 2008, the Hebron Eye Centre was upgraded to Hospital Status. In April 2007, the Anabta Eye Centre opened near Nablus, about 56 miles north of Jerusalem. Together, with the Mobile Outreach Program in the West Bank, they form St John of Jerusalem Eye Hospital Group.

Report of the Treasurer

For the year ended December 31, 2015, the Priory sent a new record \$2,004,250 of financial support to the St John of Jerusalem Eye Hospital Group.

Total Priory income for the year was \$2,938,697 a decrease of \$122,746 compared to the previous year. The difference in revenues is primarily due to the 2014 London Mansion House Gala, which generated over \$350,000 for the Hospital Group. Of the total, \$2 million was contributions and unrestricted program support, a \$600,000 increase over 2014.

We received and sent the remaining \$409,950 of the \$899,950 grant awarded by ASHA (American Schools and Hospitals Abroad), an agency within USAID, for the purchase of equipment at the Hospital. In October, we were notified of a potential new award of \$600,000 for the purchase of additional equipment at the Hospital during 2016 and/or 2017.

The Priory's annual gift to the Hospital Group and additional contributions to support operations totaled \$2,004,250, up from \$1,515,562 given the previous year. Additionally, over \$100,000 was contributed to support the international Order and other small partner charities,

down from \$114,000 the previous year due in large part to exchange rate differences.

In 2015, the Priory received several grants for the purchase of equipment at the Hospital from various foundations and donors totaling \$250,000. Additionally, almost \$150,000 was received from various foundations, ecumenical groups, and donors for surgeries and general support at the Hospital.

The Priory's administrative expenses decreased \$28,000 over the previous year due in large part to the increased electronic communications and a reduction in the 2014 annual report printing and postage costs. The Investiture weekend generated \$45,000 of net revenue and in-kind support of \$13,329. Regional events generated net revenue of \$105,000 last year with in-kind support of \$20,655.

Combining these operating results with a negative change in our investment portfolio of \$111,488, the Priory ended the year with net assets of \$2,088,389, a decrease of \$383,248.
